Bears Care Fund

Due to the overwhelming warm hearts of Poirier families, last year we raised close to \$1700! This year, the PAC voted to expand this initiative to support MORE than just Hot Lunches. We have rebranded this program as the "Bears Care Fund" with an aim to use the donated funds for; hot lunch days, scholastic book fairs, smencil days, spirit wear and other PAC run initiatives to ensure as many of our Bears as possible can participate and enjoy in the "fun"! To Donate, select the option while you pick out lunch!
