Invitation

Young Entrepreneur Show™

Our Young Entrepreneurs are "open for business"!

Some of our students have been participating in PowerPlay Young Entrepreneurs®, an educational program that helps students develop the tools needed to start their own businesses.

These enterprising young people are now ready to display their business plans and sell products they've developed. You are invited to attend their Young Entrepreneur Show™. Come check out their inspiring business ideas and see these young entrepreneurs in action.

Please show your support by taking in the Show. You never know what you might find...
