Dear Parents/Guardians,

As we wrap up the month of May, we are looking ahead to a busy and exciting time of year filled with many engaging activities. Students will enjoy outdoor learning opportunities, walking excursions, PAC events, celebrations, field trips, and much more.

As the school year draws to a close, some families may be relocating, which can make it difficult for children who are saying goodbye to friends. Please let us know if your child is experiencing any challenges during this transition so that we can provide support.

If you have any questions or concerns about school programs, events, or your child's experience at school, please do not hesitate to contact us by phone or email, or arrange a meeting. We are committed to supporting our students and families in any way we can.

Kind regards,  
Ms. V. Ives
